## PROFESSIONAL SUMMARY

Passionate and detail-oriented IT graduate specializing in web development and data analytics. Skilled in building responsive websites, managing databases, and developing intuitive front-end interfaces using PHP, JavaScript, SQL, Excel, and Canva. Analytical and adaptable, with a strong sense of organization and initiative in handling technical tasks and collaborative projects.

## WORK EXPERIENCE

### Freelance Web Developer

*Self-Employed | Aug 2025 – Present*

- Designed and developed responsive websites and web applications for small businesses using HTML, CSS, JavaScript, PHP, and MySQL.
- Integrated backend features such as PayMongo API for secure payment processing and optimized websites for performance, accessibility, and mobile responsiveness.
- Collaborated with clients to plan, design, and deploy tailored web solutions aligned with business goals and user needs.

### IT Intern

*P.C.M Cosmetic Products Trading | Feb 2025 – May 2025*

- Contributed to the development of internal systems and websites, including an intern DTR system with automated summary reports, using HTML, CSS, JavaScript, PHP, and MySQL.
- Created digital content for marketing and promotional campaigns, and helped manage both the company's and team's social media pages through collaborative content planning and updates using Photoshop, Canva, and Lightroom.
- Assisted in software and hardware maintenance, troubleshooting, and system setup.

## SKILLS

- Programming & Databases:** PHP, JavaScript, HTML/CSS, Java, MySQL
- Data Analytics & Visualization:** Power BI, Tableau, Excel (Power Query)
- Creative Tools:** Photoshop, Canva, Figma, Filmora, CapCut
- Productivity Tools:** Microsoft Office (Word, Excel, PowerPoint), Google Workspace (Docs, Sheets, Drive, Gmail)
- Professional Skills:** Problem-Solving, Team Collaboration, Self-Management, Communication, Adaptability
